

MIKE EVENTS PVT LTD

Meetings, Incentives, Konferences, Events

WHO WE ARE

MIKE - an Event Management Company

We specialize in delivering end-to-end event management services for individuals, businesses, organizations, and institutions. With our expertise and dedicated resources, we handle every detail of your event, from planning and logistics to venue coordination, marketing, and budgeting. This allows you to focus on the core objectives and content, while we ensure a flawless and impactful experience.

"Limitations live only in our minds. But if we use our imaginations, our possibilities become limitless."

-Jamie Paolinetti

Corporate Gift and Trophies

Venue Contracting and Management

Venue contracting involves finding the most suitable venue, negotiating and finalizing agreements. Experienced in contracting we ensure favorable terms, managing licenses and navigating potential challenges, ultimately leading to successful event within budget and with all necessary resources in place.

Venue Management: Managing accommodation and venue logistics for an event involves various aspects to ensure a seamless experience for attendees. This involves

- Coordinating hotel bookings, transportation and on-site services.
- Carefully handing of the rooms block
- Food and beverage management
- Event set up detailing and supervision
- Supervising security provisions at venue and adherence to fire safety guidelines
- Supervising overall cleanliness and maintenance of the hygiene standards
- Ensuring timely delivery of services at the venue

Website

Development of a highly secure & encrypted website

A library of resources for delegates

Fully secure registration system offering payment facilities for delegates

Accommodation and travel booking facilities

Advertising call for Abstracts/Papers detailing submission specifications and requirements

Site visits

Mobile App

Personalization:

Tailored app experience based on user preferences and usage

Instant updates:

Make last-minute changes in a snap. Updates to event content sync directly with the app on all attendees' devices

Push notifications:

Keep attendees informed with important announcements and key news while targeting specific audience

Featured sessions:

Showcase important sessions before the event to capture attendee interest and generate excitement for the event

Audio Visual and Fabrication

Our expert technical production team excels in stage design, console management, and comprehensive audiovisual (AV) support. We offer full-scale event fabrication solutions, overseeing everything from the initial concept to production and execution. Moreover, our dedicated in-house graphic design team ensures that every visual element is seamlessly integrated with your event's overall vision.

Supported by :

- Computerized design unit
- Wood and metal workshop
- Computerized graphics production unit
- Screen printing
- Vinyl-cut production unit for display signs
- Digital printing

Transport and Event logistic

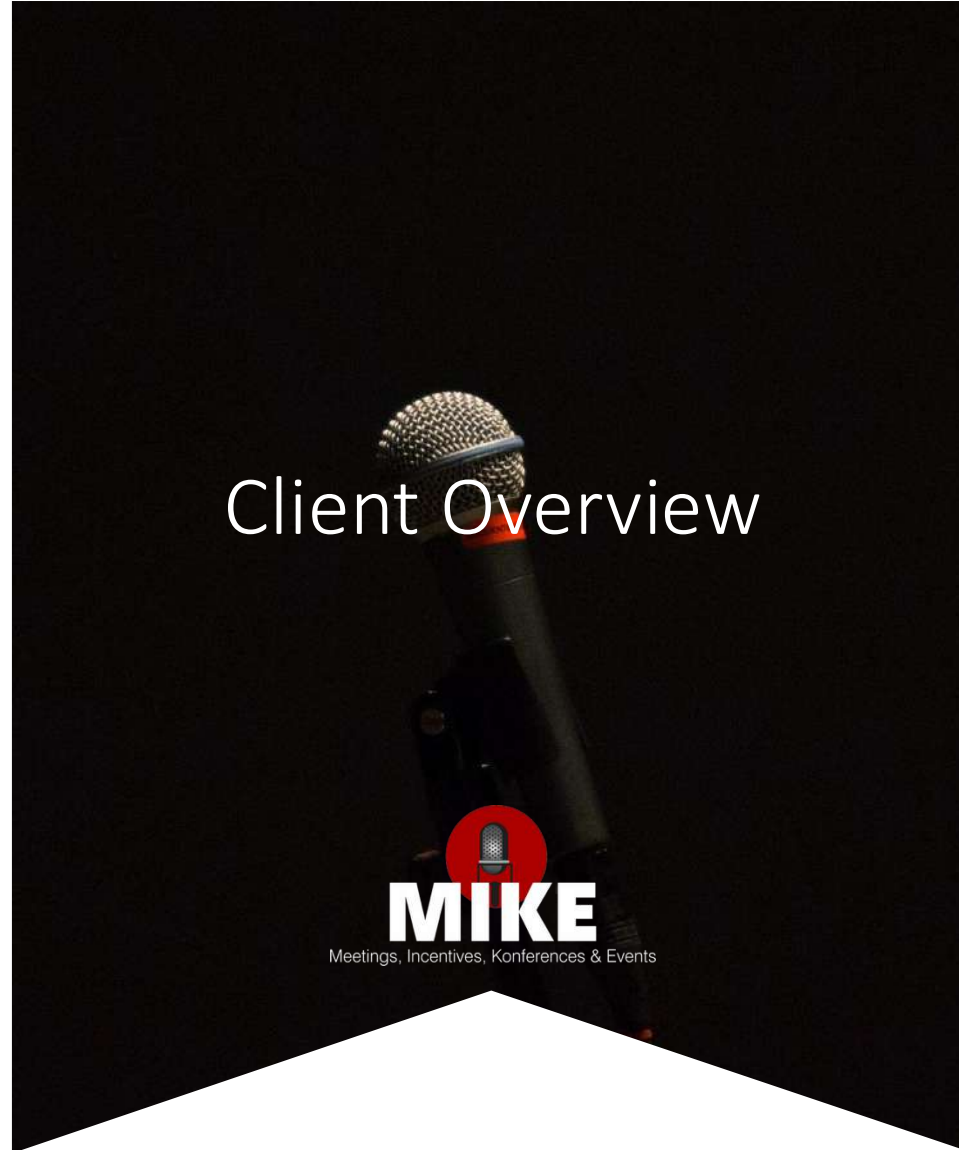

We specialize in handling all transportation and logistics requirements for your event, ensuring every detail is covered for a smooth and hassle-free experience.

Our services include:

- Managing ministry permissions for efficient visa processing
- Assisting with flight ticket bookings
- Providing seamless airport pick-up and drop-off
- Offering personalized local hospitality arrangements
- Organizing pre- and post-conference tours
- Curating engaging local city tours for your attendees
